Liaison Division, OLL

FROM:

STAT

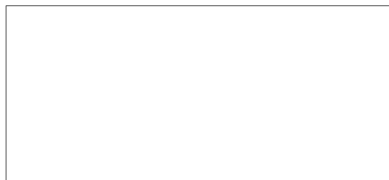

Legislation Division, OLL

SUBJECT: Domestic Relocation Allowance

Terry:

I have read your Memorandum for the Record on the meeting with NSA to discuss Domestic Relocation issues. I understand that you did not expect Legislative Liaison officers or members of NSA's legal staff to be present at this meeting; however, I think you can understand that I was quite surprised and somewhat disturbed to see that, of the four key participants listed at this meeting, one was NSA's Legislative and Regulatory Counsel and the other the Assistant General Counsel for Personnel and Security. Given that it appears that we are going to be working with NSA now to find a common solution, if this is possible, I would appreciate being informed of any further meetings with NSA as I believe the participation of the Legislation Division is now clearly called for. I look forward to attending similar meetings with you next week with the FBI and GSA.

P.S. I note on the distribution that you did not send a copy to C/ALD/OGC. Since there was participation by NSA's Office of General Counsel, I'm sure that would appreciate receiving a copy of your memorandum.
